KILL ROMAY Hamza From Wikipedia, the free encyclopedia Rise, Tarnished is the name of a free fantasy action role-playing game for Microsoft Windows and OS X developed by Nippon Ichi Software and published by NIS America. Players can control the body, muscle and

equip each character in order to complete quests and tasks. Rise, Tarnished allows players to create their own characters and customize it. The game contains a vast world full of interesting characters, places and situations. Players can explore the vast world and become familiar with the characters, quests, places and things. The game is set in a world called the "Lands Between," which is unlike the other world called "The World of Rv, the World of Mv.". In the Lands Between, there are areas called "otherlands," which players can customize. Each otherlands is different from each other in characters, monsters, weapons, items, quests, missions and graphics. Players can choose to play a character in The Lands Between after finishing a different character in "the World of Rv, the World of Mv." The world is in turmoil. The player sets out to put things right in his life. The game is played in the "Lands Between," which is divided into three land areas. The player's character is either an "Elden" or a "Tarnished." The name of the game refers to the character's appearance. An Elden is the good aspect of existence, while a Tarnished is the bad side of existence. Players can create their own characters in the player's own otherlands. The world is set in a realm known as "The World of Rv." and "The World of Mv.". The story takes place in the "Lands Between" after the occurrences of the "World of Rv" and "the World of Mv.". Rise, Tarnished is the first game

What's new:

While players enjoy Toki Tori 2's classic features of adaptation to various situations and impressive musical performances associated with the end of an adventure, the graphics have been brought to a new level and the new characters have new appeal. By receiving the Creation Kit, players will be given a more enjoyable experience when interacting with the town that the game takes place. Players are also able to play freely wherever and whenever they want, regardless of their own country's geographic location.
