January 17, 2021 - The Dishonored GOTY version does not have English when you launch the game. It spontaneously works with French and when I looked... I found this error when I was playing the Steam version. The Steam version of GOTY is in English, but the GOTY version in Dishonored, which does not have any languages other than French. I couldn't find this error online. What's wrong with the Steam GOTY version, that the Steam GOTY version, which has no languages other than French, is running with this error. This happens to all my games so I don't know what to do now.
