System Requirements:

It's a beautiful spring morning in the Imperial capital, and with the sun in the sky you can see the soldiers working on the defensive wall that surrounds the Imperial City. To the east, the land continues to stretch as far as the eye can see, it is the Heartlands, it is the land that sustains all the nations of the realm. With its great farms, its large cities, and many forests it is a rich and fertile land. Though, like every land, it is also home to enemies. The Heartlands are also home to the Horns of Hammerad,
